LOT 45 - Semi-Circular Bamboo Handbag

Description

Semi-circular bamboo handbag crafted from thin interwoven bamboo slats, designed with an open and intricately patterned structure. The slats are held together with small, yellow-detailed connectors, forming an airy yet sturdy construction. Its distinctive shape is both fashionable and functional, with a flat top edge and integrated handle. Ideal for light carry, this handbag blends traditional craftsmanship with a modern twist. In good condition, showing minimal wear, it's perfect for collectors or those who enjoy unique fashion accessories. A practical yet stylish addition to any wardrobe. Location: E
