LOT 55 - Crystal pedestal bowl and lidded candy dish set

Description

Set of two matching clear crystal pieces featuring detailed etched floral and fruit patterns. Includes one pedestal bowl with scalloped edges and a lidded candy dish with a faceted finial lid. Both pieces are finely crafted and display intricate decorative cuts and engravings. The pedestal bowl has a broad hexagonal foot for stability, while the candy dish has same pedestal (not pictured and needs to be glued back on). Measurements: pedestal bowl approximately 7.5 inches tall and lidded candy dish (with lid) approximately 12 inches tall. Location: A
