**LOT 115 - Set of Vintage Brass Horse Brasses and Leather Strap**

**Description**

Set of vintage brass horse brasses depicting various traditional designs, including animals, crowns, and floral motifs, with a black leather strap. The collection includes 18 brass brasses, each with different shapes and designs, such as horseshoes, stars, and birds, with some featuring intricate detailing. The brass pieces show patina consistent with age. The black leather strap has adjustable buckles and slots for fastening the brasses, showing signs of wear from use and age. Likely used as equestrian decor or horse tack. Location C
