LOT 170 - Ceramic Planter with Stand

Description

Ceramic planter featuring floral designs and a pair of peacocks in vibrant green, blue, and orange hues. Includes matching wooden stand. The planter has a drainage hole, with visible stains inside from previous use. It measures approximately 8 inches tall without the stand, as shown in the image with the ruler for scale. Marked 'JAPAN' on

the bottom. The exterior condition is clean, with light wear consistent with prior use. The wooden stand is detachable and in good condition. Location G

Quantity: 1
