LOT 526 - 1942 Walking Liberty Silver Half Dollar Coin

Description

1942 Walking Liberty silver half dollar coin minted in the United States. Made of 90% silver and 10% copper, this coin features the iconic Walking Liberty design on the obverse side and a perched eagle on the reverse side. The coin shows natural wear consistent with circulation. No visible damage or alterations. An excellent example of U.S. coinage history and a collectible item for numismatists.
