LOT 28 - Hand-Carved Wooden Dolphin Sculpture by Local Artist

Description

Hand-carved wooden dolphin sculpture featuring detailed natural finishes in black, white, and brown tones. The item measures 8" W x 10.5" T x 29" L and showcases intricate craftsmanship in carving and painting. The sculpture has a rustic aesthetic with visible wood grain and textured details. A small metal plaque on the underside has an inscription, related to the artist or origin. The dolphin's fins and tail are individually carved and exhibit a painted wood effect. Some blemishes or wear may be seen on the surface, adding character to the piece. Location 1st Floor
