LOT 82 - Hand-carved wooden Canada goose decoy

Description

Hand-carved wooden Canada goose decoy, measuring 22" L x 14" T. Features a detailed painted finish with wear indicative of age and use. The body exhibits visible paint wear and wood exposure, particularly on the sides, revealing a rustic patina. The decoy includes carved initials 'J.E.' on the underside. Decorated with a checked fabric tied around the neck. Suitable as a collectible or display piece. Location 2nd Floor B

Quantity: 1
