**LOT 216 - Vintage Hand-Carved Painted Wooden Duck Decoy**

**Description**

A vintage hand-carved wooden duck decoy with original paint and a weathered appearance. The duck features a black and white pattern with green accents on the eyes. The underside shows wear consistent with age, including scratches and paint loss. Approximately 15 inches in length, as shown next to the measuring tape. Includes a weight on the bottom, indicative of its use as a functional decoy. Location: 3rd Floor
