LOT 217 - Framed Quail Nature Print with Rustic Wooden Frame

Description

Nature-themed artwork depicting a quail surrounded by foliage in a snow scene, preserved under glass in a rustic wooden frame. The matted artwork is bordered with a light and dark-colored matte for additional depth and contrast. The frame measures 14" x 17", is made of weathered wood by 'Rustic Frames', and includes a sturdy paper backing and hanging hardware for immediate display. Condition appears intact with minor signs of wear consistent with the rustic style. Location 3rd Floor
