**LOT 262 - Vintage Uranium Glass Creamer and Sugar Bowl Set**

**Description**

Vintage uranium glass creamer and sugar bowl set featuring an intricate floral etched design. Made from luminous green glass that fluoresces under ultraviolet light. The creamer has a spout and single handle, and the sugar bowl has double handles. Both pieces stand on a pedestal base. Overall in good condition with slight wear consistent with age. Dimensions provided in the image show approximate sizes. Location 2nd Floor Kitchen

**Quantity:** 1
