

**Sale Name:** Sandbridge Online Auction

**LOT 268 - Hamilton Beach Commercial Manual Citrus Juicer 20" Tall**

### Description

Hamilton Beach Commercial manual citrus juicer, standing 20 inches tall. Constructed with a sturdy metal base and body, featuring a lever arm for easy operation. The unit includes a durable strainer and juicing cone for extracting juice from citrus fruits. The black and silver components are designed for heavy-duty use, ideal for professional or home applications. The juicer shows signs of prior use but appears to be in working

condition with no visible major cracks or damage. The base provides excellent stability for juicing. Location 2nd Floor Kitchen
