LOT 149 - Pier 1 Imports Cassandra Handcrafted Earthenware Dinnerware Set

Description

Pier 1 Imports Cassandra dinnerware set made of handcrafted earthenware. The set includes four mugs, four bowls, four large square plates, and four small square plates. The pieces are microwaveable and dishwasher safe but may become hot when microwaved. Decorated with an orange, yellow, and green floral design on an off-white background, with red handles on the mugs. Condition issues include a visible crack inside one mug and a small chip on one plate. Location: D

Quantity: 1
