LOT 50 - White Metal Vanity Stool with Padded Seat

Description

White metal vanity stool featuring a round, padded seat with light-colored vinyl. The stool includes a curved backrest made of metal spindles and a base with scrolled legs and center support ring. Though no maker's marks are visible, the lightweight construction and design suggest a piece suitable for indoor use, possibly in a bedroom.

or dressing area. Some visible wear and scuffs may be present on the metal, consistent with use. 22" Tall
