**LOT 41 - Octagonal Oak and Glass Coffee Table**

**Description**

Octagonal coffee table made of oak with glass insets on the top surface. Features a sturdy geometric frame design with wood panels forming open side slots for storage or display. The glass panels are fitted into the table's top, creating a modern and functional aesthetic while providing a view of the lower wood shelf. Measurements are approximately 50 x 30 x 17 inches tall. Overall condition shows light wear consistent with use but appears well-maintained. Contents are not included.
