

**Sale Name:** February Coins, Collectibles & More Online Auction (No Reserve)

**LOT 35 - 29" Tall White Composite Corinthian-Style Pedestal Stand**

**Description**

A 29-inch tall pedestal stand with a square top and base in Corinthian architectural style. Crafted from white composite material, the column features fluted detailing along the shaft, with ornate floral and acanthus leaf designs at the capital. The squared top provides a stable surface for display purposes. The piece measures 29" in height, with the top and base each measuring approximately 13.5" x 13.5". Suitable as

a decorative or functional element for homes or offices. Light wear consistent with display use.

**Quantity: 1**
