LOT 48 - EZGO Electric Golf Cart with Rear Cargo Platform and Off-Road Tires

Description

EZGO electric golf cart featuring a green body, white roof, and rear cargo platform with a diamond plate surface. Equipped with off-road tires on black rims. Includes onboard PowerWise II charger. Front headlights are functional, one needs bulb replaced, but the horn does not appear to function as noted. Batteries installed are Duracell brand, dated 9/22. Serial number 1283829 visible. Minor wear consistent with use observed on seating and finish. Location: Garage

Quantity: 1
