**LOT 106 - Golden Voice Radio Table by Kiel, Missing Radio, Circa 1920s, 37 x 25 x 30 1/2 Inches**

### Description

Golden Voice radio table believed to be a 1920s Atwater Kent model produced by Kiel. Constructed from wood with an octagonal top and fluted legs connected by an H-stretcher. The front door hinge is broken, and the radio component is missing. Shows wear including scratches, a chip on the side, and general surface wear consistent with age and use. Dimensions: 37 inches wide, 25 inches deep, and 30 1/2 inches tall.

**Quantity:** 1
