LOT 34 - Set of Six Churchill Hunting Scene Collector Plates, 10-Inch

Description

Set of six ceramic collector plates by Churchill titled "The Find." Each plate features a detailed hunting scene with riders on horseback surrounded by an ornate border design. Plates are marked with the Churchill stamp on the back, indicating they were made in England. Each plate measures 10 inches in diameter. One plate shows slight fading; otherwise, normal wear consistent with age is observed. Location: A
