**LOT 347 - Vintage Composition Boy Doll in Traditional Clothing, 10 Inches**

### Description

A vintage composition boy doll measuring approximately 10 inches tall. Features molded and painted hair, expressive painted facial details, and comes dressed in traditional-style clothing, including a white shirt, black shorts with suspenders, socks, and shoes. A brown felt backpack is buttoned onto the back. The doll shows wear

consistent with age, including some surface imperfections and minor cracking on the composition material. Location: Den
