LOT 53 - Wood-Framed Armchair with Beige Upholstery, 26.5 Inches Wide

Description

Wood-framed armchair measuring approximately 26.5 inches in width. The chair features beige fabric upholstery with visible brass-tone nailhead trim on the backrest. The wooden frame exhibits a dark finish, curved armrests, and a stretcher base for added stability. Marks and wear are visible on the upholstery and wood, consistent with use. Fabric shows staining, cleaning recommended. Location: Bedroom A

Quantity: 1
